

# 2017 49<sup>th</sup> Conference of the International Circle of Educational Institutes for Graphic Arts Technology and Management & 8<sup>th</sup> China Academic Conference on Printing and Packaging

## NOTICE

In 2017, Conference of the International Circle of Educational Institutes for Graphic Arts Technology and Management (IC) which has been held for 60 years will be held in Beijing, China. This year the conference of IC will be held together with the 8th China Academic Conference on Printing and Packaging aiming at building an international academic exchange platform.

Representatives from more than 100 universities, training and research institutes of print media fields in Europe, Asia, North and South America, Africa and Oceania will gather in Beijing to launch academic exchanges with professors, experts, researchers and students in the fields of printing and packaging education and research. The conference will also focus on frontier technologies in printing science and technology, explore innovative modes of printing and packaging education and management, and promote multi-faceted and deep-level cooperation among education research institutes at home and abroad.

Welcome experts, teachers and students, research specialist staff to submit papers and participate in the conference!

### Sponsors

Beijing Institute of Graphic Communication

China Academy of Printing Technology

International Circle of Educational Institutes for Graphic Arts Technology and Management

### Organizers

School of Printing & Packaging Engineering, Beijing Institute of Graphic Communication

Beijing Key Laboratory of New Technology of Printing and Packaging, China Academy of Printing Technology

**Date** May 14-16, 2017

**Location** Beijing, China

## Topics for Panel Discussion

### 1. Color Science and Technology

Color model; Color reproduction; Color management; Color measuring and calculating; Color evaluation and analysis

### 2. Image Processing Technology

Image digitizing; Image processing; Image information visualization; Image reproduction; Image quality assessment

### 3. Digital Media Technology

Virtual reality technology; Digital asset management; Media database and application; internet applications; Digital and network publishing; Copyright protection technology; Media interaction design; APP mobile internet applications

### 4. Printing Technology

Printing technological process; Process control and standardization; Digital workflow; Digital printing; Special printing; Inkjet printing; Printed electronics

### 5. Packaging Technology

Packaging structure design; Packaging process; Intelligent packaging technology; Packaging safety; Internet of things packaging and logistics management

### 6. Mechanical Engineering and Numerical Control Technology

Printing equipments; Packaging equipments; Numerical control technology; Intellectualized design; Machine visual system detection technology; 3D printing technology

### 7. Materials and Detection Technology

Information recording material; Ink and related materials; Paper and related materials; Film and related materials; Functional materials; Material detecting technology

## Paper Requirements and Publishing Format

1. Papers should show the innovation theory and research application results which have not been published on other journals and conference proceedings.
2. Abstract should include research objectives, methods, results and important conclusions and so on. It should be written in English about 300 words.
3. Paper should be written in English using Word 2003/2007 format and sent as attachments by E-mail. Chinese and English abstract should also be provided in the E-mail and please fill out the registration form in the attachment. Please annotate "paper for Conference 2017".
4. When the presented paper gained the accreditation of the experts who are assigned by the proceedings editor, all accepted papers will be published on the international journal.
5. "Excellent Paper Award" will be set up to honor the high-level papers and authors, and a certificate is issued.

## Important Dates

Because the 2017 8<sup>th</sup> China Academic Conference on Printing and Packaging will held with the International Circle of Educational Institutes for Graphic Arts Technology and Management, so the deadline will be advance.

Abstract Submission Deadline: January 26, 2017

Abstract Reviewing Notice Deadline: February 10, 2017

Final Paper Submission Deadline: April 10, 2017

Acceptance Notice Deadline: June 20, 2017

## Important Information

1. E-mail for submitting papers: xshy@keyin.cn

2. Conference web: [www.cacpp.com](http://www.cacpp.com)

3. Tel: 010-8827 5607, 010-8827 5775

4. Secretariat of Conference Organizing Committee

\* Beijing Key Laboratory of New Technology of Printing and Packaging, China Academy of Printing Technology

**2017 49<sup>th</sup> Conference of the International Circle of Educational Institutes for Graphic Arts Technology and Management & 8<sup>th</sup> China Academic Conference on Printing and Packaging**

---

Address: No.2 Cuiwei Road, Haidian District, Beijing 100036, China

Contact: XU Min YANG Li OUYANG Yujie

\* School of Printing & Packaging Engineering, Beijing Institute of Graphic Communication

Address: No.1 Xinghua Avenue (Band Two), Daxing, Beijing 102600, China

Contact: CAO Guorong WANG Dongdong

Welcome to submit the papers and attend the conference!
